

F21

PROJECT NAME

AUTOMATED PLATFORM
FOR UNDERGRADUATE
ADMISSIONS

PROJECT SCOPE

This project revolutionizes FEST admissions by automating workflows, safeguarding sensitive data, delivering real-time updates, enhancing user experience, and building a scalable system ready for future growth.

PROJECT OBJECTIVE

Streamline FEST admissions with accurate data processing, uniform criteria, efficient workflows, and a user-friendly interface for applicants. Ensure transparency, scalability, compliance, and an enhanced experience for all users.

PROJECT STATUS

SECOND EVALUATION

SUPERVISOR

SIR IQBAL UDDIN KHAN
